## What is the ChangingGears Grand Prix?

Adulting is hard, so we decided to create a fundraising event that is a blast to attend while raising funds to support people in poverty in our great city of Cincinnati. The ChangingGears Grand Prix is an adult, pedal kart, relay race tournament where four person teams go head to head around an indoor track and includes dinner, drinks, games and plenty of fun!

## About ChangingGears

ChangingGears removes transportation barriers for people who are working their way out of poverty. Through innovative programs that offer a hand-up rather than a hand-out, approved clients are able to purchase vehicles and have their vehicles repaired at half of retail prices.
